to implement these improvements further to their approval to the benefit of AM during the design, manufacturing and supply of the fire detection systems.

5. That our Companies were informed and included in the Overall Lump Sum Price every cost for the timely completion of the supply and the adherence to all deadlines, as they are determined in Article 8 of the document entitled “Conditions of Contract”.
6. That our Companies recognize unreservedly the validity of the terms of all Contractual Documents, in the order of precedence mentioned in the Conditions of Contract (Article 4).
7. That in the offered Overall Lump Sum Price the following are included in a converted form:
 - a) All the costs required for full, workmanlike and timely performance of the works of the supply in accordance with the terms set out in the Contractual Documents, as well as those described therein as the Contractor’s special obligations and actions.
 - b) Generally, all costs, even if it is not explicitly named, but are necessary for the full and workmanlike performance of the supply, according to the conditions of the Contractual Documents, the Contractor not being entitled to any other additional payment or compensation for the complete execution of the Scope of the Contract.

Namely **(as an example but not limited to this)** the offered Lump Sum Price comprises:

- 7.1 Expenses related to the design, manufacturing, supply, testing and commissioning of the fire detection systems, as well as any kind of relevant charges arising from taxes, duties and fees, contributions, withholdings, special taxes etc., save the Value Added Tax (VAT), which is borne by AM. It is explicitly determined that the Lump Sum Price of the Financial Offer includes the cost related to copyrights, patent rights, the cost related to software rights and source code escrow, the cost for any required permits, expenses related to health and safety, contribution and rights for equipment, materials and resource supplies of the supplier, in general, and, in case of domestic items, the duty stamp, where applicable, and -in general- all the taxes, duties, fees and deductions, any other lawful charges. The above costs and charges do not include VAT, which is borne by the Project Owner.

It is made clear that, if after the day of the conduct of the Tender, new taxes, duties, deductions, etc., concerning directly the supply, come into force or if the current ones are increased, the respective amounts shall be borne by the Contractor.

- 7.2 The costs for salaries, wages, overtime, work in more shifts or on bank holidays, according to the current provisions of social security (IKA, Insurance Companies,
