This Clarifications Document 2 is issued in accordance with the stipulations in paragraph 2.3 of the Invitation to Tender and incorporates responses to question submitted.

The content of the Clarifications Document 2 is viewed as an integral part of the Invitation to Tender.

Question 1

In the Conditions of Contract, article 26, paragraph 26.2.3 the following statement is made: “It is hereby clarified that the preparation of the required Detailed Final Design shall not be separately compensated, since the Contractor’s pertinent fee is included in the unit prices of AM’s Design Price List”.

Based on the Designs Specifications document, it is understood that the following designs as submitted as Detailed Final Designs:

- Article 102. Design of Roads and Road Pavements
- Article 103. Design for temporary drainage of worksites
- Article 105. Designs for PUO networks Diversions
- Article 106. Designs for Traffic Arrangements
- Article 108. Design for temporary flood protection of worksites

and, therefore, these designs are not compensated. Please confirm.

It is not mentioned in article 105 if the PUO networks coordination drawings are characterized as detailed final design or final designs. Please confirm.

Response 1

The designs to which you refer, i.e. those described in articles 102, 103, 105, 106 and 108, as well as the PUO networks coordination drawings, are related to Detailed Final Designs, which are conducted in one stage and, therefore, are not compensated separately.
